Post-Production Editing  
Lighting and Composition  
2D Animation

## EXPERIENCE

### Multimedia Designer

Sept 2019 - Present

#### Fraser Health

- Designed infographics, posters, social media visuals to support Fraser Health's COVID-19 response.
- Filmed the CEO of Fraser Health and a video series with the Chief Medical Health Officer of Fraser Health regarding information about COVID-19.
- Collaborated with a team of 4 consultants to design a 95-page 'Humans of Fraser Health' e-book.
- Produced videos, motion graphics and high quality digital graphics for print, web and mobile.

### Videographer

Mar - May 2019

#### Burnaby Festival of Learning 2019

- Filmed and edited two recap videos that are used to promote 2020's festival and a report for the stakeholders.
- Captured many highlights of the 10 events throughout the week-long festival.
- Worked with the co-chair of the Burnaby Festival to plan out the shot list for the events.

### Videographer

Jan - May 2018

#### Vancouver Public Library

- Partnered with a client and shot a 5 minute documentary regarding a newly structured Cantonese School located in Chinatown.
- Edited the footage and mixed the sounds in Adobe Premiere Pro.
- Showcased in the Vancouver Public Library Morph Exhibiton.
